¹Graduate students with a B.S. Degree in OSH from Montana Tech have taken these courses will be required to complete 9 elective credits to replace the 9 core credits. These students also have an adequate background in safety and will be required to complete an additional 3 credit elective.

²Graduate students can choose from the following courses to satisfy the Safety Core requirement: OSH 4276 Mining Safety; OSH 4956 Behavior Based Safety; I.H. 5606 Systems Safety & Process Safety Management.

ELECTIVES

I.H. 5156	Noise		3
I.H. 5476	Strat. for Occ. Exp. Assessment		3
I.H. 5676	Industrial Respiratory Protection		3
I.H. 5626	Radiological Health & Safety		3
I.H. 5976	Special Problems		3
OSH 4066	Small Particle Technology		3

Total Credits (37 Required)

Signatures indicate approval of coursework and Graduate Advisory Committee

Signature of Student: _____ **Date:** _____

Industrial Hygiene Program Director: _____ **Date:** _____

Environmental Health & Safety Director: _____ **Date:** _____

Thesis Title:

Graduate Advisory Committee

The Committee will comprise the examining body for the student at the completion of the course requirements. The Chair should be the Program Director but may, at the student's discretion, be selected from the faculty instructing industrial hygiene courses. At least three members are required, two from the Industrial Hygiene Department and one from outside the Department. The student is responsible for asking committee members to serve and having the members verify their participation either by signing the form below or attaching an e-mail or written acceptance.

Do not return this form to the Graduate Office until it is complete, including all signatures. Failure to submit the form before the end of the third term of registration may cause a "hold" to be placed on your student account and prevent further registration until the form is received by the Graduate Office.

Position on Committee	Name	Signature
Chair:		
Member:		
Member Outside Dept:		

If, for some reason, the committee must be revised, please send a list of the revised members to the Graduate Office at least one month prior to the final examination.

DUE DATE: By the end of the second semester of study.

Please send completed form to the address shown below or return to MG206A:
