

SECOND (SPRING) SEMESTER 2009 – 2010 FINAL EXAM SCHEDULE

Accreditation standards require that all classes meet during the final week of the Spring Semester (May 10 - 14 2010). There are no exceptions to this requirement. **Students taking classes offered through other MUS Units or Universities should check finals schedules for those institutions, as their final exam schedule may vary from what is printed below.**

The final week schedule, during which final exams may be given, is generally based upon the first regular class meeting day/time during the semester. For example, the final for a class that meets Monday - Thursday (MTWR) from 2 – 2:50 p.m. is based on the first meeting day (Monday at 2:00), and therefore is scheduled on Thursday, May 13 at 11:30 a.m. The final for a class that meets Tuesday & Thursday (T/R) or Thursday (R) only at 11:00 a.m. is scheduled Tuesday, May 11 at 11:30 a.m. Each final class is scheduled to meet for 2 hours, although instructors are authorized to go an hour longer, if needed. Examinations will be held in the regularly scheduled classrooms. **Please note: No labs will be scheduled during this week. Lab finals may be given during the lecture period or at the regular class time the week prior.**

Those instructors & students involved in evening classes (classes that meet at 5:00 p.m. and later) should refer to the 7:00 p.m. exam time each day and the information printed below*.
