

Student Agreement for
Work on Senior Projects
Montana Tech of The University of Montana

I hereby acknowledge that I have been offered an opportunity to participate in the following project:

This project has been suggested by _____ ,
the "sponsor".

In exchange for the right to work on the project, I agree that all of my work will be owned by the sponsor and that any intellectual property produced by me as a result of this project will be assigned to the sponsor.

I will have no rights to any data, source code or the right to copyright work that I create on this project. I further agree not disclose any confidential information, data, know-how, or research results obtained in connection with this class/project, except with the prior written permission of Montana Tech of The University of Montana.
