Welcome to Montana Tech! As an Oredigger, you now have access to Montana Tech's online resources. The following instructions will guide you through some of the basic features.

**MY MTECH**

MY MTECH is the main portal for all online services. From here you can view your registration, link to OrediggerWeb, check your email, see important announcements, and access Moodle for your online classes. Many other important links are located along the right side of the MY MTECH page.

**RETRIEVING YOUR CAMPUS USERNAME AND PASSWORD**

Upon admission to Montana Tech, each student is assigned a username and password that will be used to access any online resource that requires user authentication. Additionally, your username and password will provide access to any on-campus computer. To retrieve your credentials:

- Choose **MY MTECH** in the upper right menu of the Montana Tech homepage (www.mtech.edu)
- Click on **New User?** in the upper right corner. (You will choose **Sign In** for future access.)
- Use your Student ID number and last name to retrieve your username and password. (Your Student ID number begins with 799 and was noted on the back of your admission letter.)

If you have any trouble signing in or retrieving your username and password, contact the IT Helpdesk at ithelpdesk@mtech.edu or Enrollment Services at 406-496-4256.
Montana Tech Email

Your Montana Tech email account is the official source of communication for the school. It is important that you check it often. Once you retrieve your username and password, access your email from the home page, similar to MY MTECH.

Registration Information

To view your class schedule, choose Registration in the top right corner of MY MTECH. From here you will select View Registration Information. Choose the appropriate term.
Choosing this option in the top right corner of MY MTECH will take you to OrediggerWeb. Here you can accept your financial aid, view your student account and finalize your registration, and check your final grades. (See email notifications for specific instructions.)
Online courses/Moodle

All online courses are taught through Moodle. Some instructors also use this tool to provide materials and feedback for face-to-face classes. You will find Moodle classes in the left column of MY MTECH.
