

Chemistry & Geochemistry Department Seminar Series

Montana Tech, Fall 2019

12:00 PM Wednesdays and some Fridays. All are welcome!

- August 30 (F) **Ben Putman**, Research Associate, Biological Engineering, University of Arkansas, *Environmental Impacts across U.S. Food Supply Chains*, CBB-102
- September 4 **AVAILABLE**, TBD, TBD, *TBD*, CBB-102
- September 11 **Dr. Katherine Zodrow**, Department of Environmental Engineering, Montana Tech, *TBD*, CBB-102
- September 18 **Dr. Dario Prieto**, Department of Mechanical Engineering, Montana Tech, *TBD*, CBB-102
- September 25 **Vanessa Selimovic**, PhD Candidate, Department of Chemistry & Biochemistry, University of Montana, *Trace gases, aerosol mass and optical properties, influence on O₃, and high NO₃⁻ production rates in a western US city impacted by wildfire smoke*, CBB-102
- October 2 **Dr. Richard Field**, Emeritus Department of Chemistry & Biochemistry, University of Montana, *The Luck of Good Timing: One Aspect of the Structure of Scientific Revolutions*, CBB-102
- October 4 (F) **Dr. Eric Boyd**, Department of Microbiology and Immunology, Montana State University, *Geobiological Feedbacks and the Evolution of Thermoacidophiles*, CBB-102 (Montana Tech Public Lecture Series)
- October 9 **AVAILABLE**, TBD, TBD, *TBD*, CBB-102
- October 16 **Dr. Dave Hutchins**, Montana Tech, *Montana's Consortium for Research on Environmental Water Systems (CREWS)*, CBB-102
- October 23 **Jesse Peach**, PhD Candidate, Department of Chemistry & Biochemistry, Montana State University, *Linking Environmental Variables to Microbial Populations in Thermoalkaline Environments*, CBB-102
- October 30 **AVAILABLE**, TBD, TBD, *TBD*, CBB-102
- November 6 **No Seminar**
- November 8 **Kyle Nacey**, Laboratory Exploring Geobiochemical Engineering and Natural Dynamics (LEGEND), Chemistry & Geochemistry MS in Geochemistry student, Montana Tech, *TBD*, CBB-102
- November 13 **Nathan Carpenter**, LEGEND, Chemistry & Geochemistry MS in Geochemistry student, Montana Tech, *TBD*, CBB-102
- November 15 **Quinn Cunneen**, Chemistry & Geochemistry undergraduate student, Montana Tech, *TBD*, CBB-102

(series continues on page 2)

1300 West Park Street · Butte, MT 59701 · 406-496-4185

Chemistry & Geochemistry Department Seminar Series

Montana Tech, Fall 2019

12:00 PM Wednesdays and some Fridays. All are welcome!

- November 20 **Harrison Muth**, Chemistry & Geochemistry undergraduate student, Montana Tech, *TBD*, CBB-102
- November 22 **Allison Kelly**, Chemistry & Geochemistry undergraduate student, Montana Tech, *TBD*, CBB-102
- November 27 **No Seminar**
- December 4 **Student**, Chemistry & Geochemistry undergraduate student, Montana Tech, *TBD*, CBB-102
- December 6 **Camryn Stucker**, Chemistry & Geochemistry undergraduate student, Montana Tech, *TBD*, CBB-102

1300 West Park Street · Butte, MT 59701 · 406-496-4185
