### ATTENTION STUDENTS!!

When completing a double major form your catalog term is automatically updated to the current term. You are required to complete all degree requirements under the new catalog term/degree. If you have a question about this, see below, or ask an Enrollment Services Office staff member.

**Q: If I change to a double major in what catalog am I required to complete degree requirements?**  
**A: The catalog in effect the day you change, or a subsequent catalog, unless you stop out for a semester. If you stop out for a Fall or Spring term, you must complete your degree requirements in the catalog in effect the term you return.**  
**--Any questions? Please ask at the Enrollment Services Office.**
