New Business:

Chancellor Search: Trisha Southergill, staff representative on the Chancellor Search Committee, reported that the committee met and members signed confidentiality agreements. Brock Tessman, Deputy Commissioner, Academic & Student Affairs of the Office of the Commissioner of Higher Education addressed the committee with the directive. The Campus profile has been published on the website and the Leadership Announcement (job description) should be posted shortly.

The application deadline is January 18, 2019. Applications review will begin in January followed by off-site interviews held at a location where it is economic to fly the applicants in for the first interview; either Salt Lake or Denver, perhaps a city in Montana. If interviews are held out of state, a limited number of search committee members will attend the first round. Campus interviews with the finalists will begin in mid-March. The Committee hopes to have its work completed and the new Chancellor selected by early May.

Feel free to email questions for the committee to Trisha; she will take questions to the committee and will keep your name confidential.

Trisha has been invited to attend Staff Senate meetings beginning January 8, 2019 to update us on the Chancellor Search. Trisha has also been invited to join the Staff Senate as a regular member.

If Trisha decides to join Staff Senate as a member, she will be asked to fill out an application and go through the procedure as outlined in our By Laws the same as any other applicant.
