The following classifications should accommodate both special ability pay raises and year to year experience. All beginning employees will normally start at the minimum or entry salary. Special consideration may be given when qualifications such as ability, education and/or experience exists. The Montana Tech Student Employment Justification for Higher Wage form must be received by the Student Employment Coordinator in Enrollment Services and approved before special consideration can be given.

A raise may be granted to those students who have worked in the same capacity for at least one semester, or who have assumed additional responsibilities, without a promotion to another classification. The Student Employment Coordinator in Enrollment Services must receive the Montana Tech Student Employee Wage Change Request form and a student employee evaluation form with justification for consideration. No pay increase may be granted without prior written approval from the Student Employment Coordinator in Enrollment Services.

The following wage rates for each classification are effective for positions in employing departments at Montana Tech.

4-100 **Customer Service Assistants:**

Entry: $9.20 - $12.30  
High: NO STIPENDS

WC – Low (Unless tied to a high department)

These jobs require a fairly high degree of knowledge and/or experience in the particular area of employment. A fundamental factor in these jobs would be direct contact and dealing with the general public. They would require little supervision from the department.

5-100a **Research Assistants I:**

Entry: $10.00 - $13.06  
High: NO STIPENDS

WC – Low

Jobs identified in this classification would involve performance of the experiments, the accumulation, compilation and categorization of data as required by any research that occurs on the campus or related activities. This information could be for use on or off campus.

5-100b **Research Assistants II:**

Entry: $11.95 - $16.66

WC – Low

This classification is to be used exclusively for those students working for the Associated Students of Montana Tech.
7-200  **Institute for Educational Opportunities:**  (Salary to be Determined)

WC – Low

This classification is to be used exclusively for those students working on a cooperative education internship assignment.

8-100  **Campus Internships:**  (Salary to be Determined)

WC – Low

This classification is to be used exclusively for those students working on an off-site cooperative education internship assignment.

9-100  **Graduate Research Assistants (GRAs):**  (0.25 or 0.50 FTE; Stipend Grade I-III)

WC – Low

This classification is reserved specifically for those Graduate Students who are funded on accounts allocated for research (e.g. external grants, contracts, internal accounts originating in return of indirect costs). The GRA appointment is at either 0.25 (10 hours / week) or 0.50 (20 hours / week), and the work is set by the funded research grant or contract. Any hours above the allocated appointment are to be used toward the student’s thesis project or coursework. The wage rate for this classification must be approved by Enrollment Services, the Office of Sponsored Programs and the Payroll Office before a commitment to the graduate student is made.

9-200  **Graduate Teaching Assistants (GTAs):**  (0.25 or 0.50 FTE; Stipend Grade I only)

WC – Low

A GTA assists with course duties and student instruction. Examples of GTA duties include assistance with laboratory set up, leading organized student help sessions, assistance with development of student assessments, delivery of class lectures on an occasional (~monthly) basis, and grading. However, a student with duties that are limited to grading should generally be hired as an hourly Graduate Assistant (9-300) rather than a GTA. GTAs are allocated to the department through the Graduate School Office. Student selection is made by the Department Head, and the award is made through Enrollment Services.
All jobs that are paid with a stipend will be required to report the number of hours expected for said stipend.

*For STIPEND RESTRICTED positions, stipends will be reviewed for approval if the position is a fellowship or a specific Academic Project.

Exceptions to these guidelines may be made with the approval of the Vice Chancellor of Administration and Finance. Each exception will be evaluated against and based on current rates of permanent employees.
