

# AADE Rockies Scholarship Application Form for the 2020-21 Academic Year

## Scholarship Procedures and Guidelines

1. The scholarship candidate must meet the following criteria:
  - a. Be enrolled in an engineering curriculum with the intent to enter the petroleum industry.
  - b. GPA must be 2.50 or above (on a 4.0 scale)
  - c. Be at least a sophomore, or above, at the time of the award
  - d. Complete the AADE Rockies Chapter Scholarship Application
  
2. The Scholarship Application from the candidate shall include the following information:
  - a. State his/her interest in the petroleum industry. Include any courses that show their interest in drilling and/or wellbore engineering.
  - b. State his/her prior work history in resume form (or attach a current resume), or in the form of a short list with brief descriptions of duties and responsibilities. Please include any/all research projects and summer internships/employment.
  - c. Optionally, please state any financial need.

## Application Submittal

The **only** acceptable method of submittal is for you to fill out this electronic form, sign it, scan it (preferably as a PDF file), include your name in the name of the electronic file and email a copy of your signed and completed application to your university AADE faculty adviser **AND** email a copy to the scholarship committee email listed below. **Only two electronic documents** will be accepted from each applicant. The first is the signed application and the second is an electronic copy of your current resume if you wish. The resume is not required, but will be considered along with your application if you like. Applications without a signed copy of the signature page **will not** be considered. Confirmation emails of receipt of your application will be sent to you from the scholarship committee member. **Applications must be received by the scholarship committee members by 8pm (MST) on Sunday, February 21<sup>st</sup> 2021.** Again, late applications or unsigned applications **will not** be considered.

### **AADE Faculty advisors:**
