Pre-Proposal Space and Facility Checklist for Equipment valued over \$50k

1. Has adequate space been identified and assigned to your department by Design, Construction, and Space Management for the proposed research or new equipment?

Yes

o Proposed location for Equipment:

No

- 2. Have you contacted the Director of Facilities to discuss the following, if applicable to your proposed research or new equipment?
 - Renovations or modifications of the assigned space
 - Additional or modifications to electrical power or data
 - Ventilation or exhaust air
 - New, additional, or modifications to existing HVAC systems
 - Building utilities (compressed air, gas, water, etc.)

Yes (if Yes, complete questions 3-5)

o Required renovations:

(attached addition pages as needed)

No (if No, stop here)

- No renovations are needed for the space that is identified.
- 3. Has an estimate for all physical facility modifications and renovations related to the research or equipment been created by the Director of Facilities?

Yes

Estimated cost:

No

4. Has funding for physical facility modifications and renovations not funded through the grant provider been identified and approved by the appropriate fiscal officer?

Yes

Source of funding (index #):

No

5. Has a schedule for any required modifications or renovations been provided by Facilities Services, and does it align with the terms of the grant provider?

Yes

o Estimated timeline for completion of modifications/renovations:

No
