a. Winter Stroll

- An amazon list has been created for the winter stroll

7. Vice President Report

a. MAS

- MAS is hoping to shoot down the idea of a benchmark minimum voting level when it comes to student fees
- We invite our senators to MAS meeting from here on out
- Both resolutions have been passed 😊

8. Treasures Report

a. Budget

- Provided an up-to-date record of Campus and Community's budget after fund requests and Winter Stroll

9. Committees

a. Campus and Community

- Made an Amazon cart for Winter Stroll
- Requesting \$4,000 for all Winter Stroll materials (this is just to be safe as compared to last year)
 - Approved of \$4,000 (moved: Layton, seconded: Maria)
- The art show went pretty well, there were 35 total pieces and a lot of excitement about it
 - Stephanie Cook is trying to find a space on campus for students to display their art all year

b. Food Pantry

-Didn't meet this week, waiting for Food Wars to end

-Postponed collecting donations until next Tuesday in order to allow clubs to gather a bit more

-Believes that the low turnout this year is due to the lack of a kick-off day like we had last year. Will change this for the years to come

c. Student Affairs

-No update this week

10. New Business

Layton: Let's put together a write-up of how ASMT has spent our budget at the end of the year to put onto the website.

-We are trying to promote student fee transparency- we should be the forefront of this

Layton: Cant we get gifts for the physical plant/janitor for Christmas to show our appreciation? We won't be able to use the ASMT budget for this, but we can definitely gather our own funds together 😊

11. Adjourn

Moved: Baylie

Seconded: Konnor
