ROTATING RESOURCE SESSIONS

Students have three opportunities to attend the resource sessions listed to the right. These sessions offer a chance to learn about various campus resources and ask questions. Each session will be held at the times listed below:

10:00 AM - 10:25 AM Resource Session 1

10:30 AM - 10:55 AM Resource Session 2

11:00 AM - 11:25 AM Resource Session 3

RESOURCE SESSIONS

Health & Wellness | SUB 212

Cara DeBolt - Licensed Clinical Professional Counselor (LCPC)

Take care of yourself during your time at Montana Tech. Come by this informal session to learn more about the Intermountain Health Clinic and Counseling Services located in the Student Union Building. You'll have the chance to ask questions, explore services offered, and get familiar with Mantra Health - a resource you can access 24/7.

Career Services | SUB 204

Aaron Frale - Director of Career Services

Learn how Career Services can help you get the best return on your education with career support and strong job placement rates. Get expert guidance for navigating today's evolving job market, explore resume and interview tips, and find out about our incredible career fairs and why you should start thinking about them now.

ASMT, Intramural Sports, and Clubs | SUB 113

ASMT Leadership

"There's nothing to do at Montana Tech..." SAID NO ONE EVER. Stop by to meet the leaders of the Associated Students of Montana Tech (ASMT) and discover how you can get involved on campus. Whether it's student government and campus entertainment, intramural sports, or campus clubs, there's something for everyone.

Research Opportunities at Tech | HSB 009

*Dr. Katie Hailer - Vice Chancellor for Research
& Dean of the Graduate School*

Are you interested in participating in research during your time at Montana Tech? Stop by to explore opportunities and learn how you can get involved.
